Attn: Mr. Travis Kowalski

Dear Travis,

I wish to thank you and your team at Mission Possible for a job well done. It is always a pleasure doing business with a true professional.

From the outset you demonstrated a true caring for what you do and it shows with the finished product. You and your crew performed the work in the time frame promised and with great attention to detail. Since completing the graffiti paint over we have been tagged several times and you are always quick to respond.

Based on my experience I will be sure to recommend your services. Keep up the great work and best wishes in the future.

Sincerely,

A handwritten signature in black ink, appearing to read "Todd Allan", with a long horizontal flourish extending to the right.
